KENTUCKY

STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP) For FY 2013-2016

ADMINISTRATIVE MODIFICATION #2012.156

I. Proposed Action:

Modify the FY 2013-2016 Statewide Transportation Improvement Program (STIP) by adding the following project phases to Exhibit A-5.

Location: Scott County

Item No.: 7-425.00

Description: Construct new I-75 interchange and approach roadway from Champion Way to

Cherry Blossom Way in Georgetown.

Fund Type for all Phases: NH

Fiscal Year for all Phases: 2014

Phase: Design

Funding Amount: \$2,750,000.00

Phase: Right-of-Way

Funding Amount: \$300,000.00

Phase: Utility

Funding Amount: \$2,500,000.00

II. Additional Remarks:

The Design Phase is a breakout from Item No. 99-391.00 (Statewide Highway Project Design Activities) listed in the FY 2013-2016 Statewide Transportation Improvement Program (STIP) Exhibit A-5 "Zvarious Listing of Project Phases" on page 3 of 9. In lieu of STP Funds, the design phase will be funded with NH Funds.

The Design and Construction phases of the new I-75 Interchange project were identified within the 2014 Recommended Highway Plan submitted to the Kentucky General Assembly and made available for public review on January 21, 2014 by the Governor of the Commonwealth of Kentucky. The project phases were reviewed and vetted for approval by the Kentucky General Assembly between January 21, 2014 and April 15, 2014. This project was in the 2014 Highway Plan approved by the Kentucky General Assembly on April 15, 2014 and was signed into state law on April 25, 2014 by the Governor of the Commonwealth of Kentucky. The Right-of-Way and Utility phases of the project will be broken out from the Construction phase of the project and they will be funded with NH funds.

This modification will become part of the 2012 STIP end of Federal Fiscal Year 2014 "fiscal constraint" recalculations.

III. Administrative Modification Approval:

Modification Becommended for Approval:

Kentucky Transportation Cabinet Da

Ronald B. Rigney, Director

Division of Program Management
